

A great coffee only appears by magic. This is why these coffees with intense flavour and aroma are so precious, successfully balancing power and pleasure within a unique body.

A selection of the best Arabica and Robusta beans, an innovativeness that renews the pleasure of taste, a distinctive roast that makes the most of their natural character: we set ourselves the very highest standards in order to provide pure quality in each concept and blend that we create.

This is our magic, and indeed it causes a quite magical effect at any time, anywhere.

For all PPCC member companies we prepared a special discount of 10% for GOLD and PLATINUM lots:

	 GOLD - 1kg Beans		 PLATINUM - 1kg Beans

More than 20kg	45,00 zł	40,50 zł	65,00 zł	58,50 zł

The prices shown on the table above don't include VAT.

GOLD – A valuable blend, gilded by the African Robusta and Arabica coffees, enveloped by the musicality of american Arabica origins produced in shadow method. It

is a beverage pure, balanced and full of vitality, with a unique and intense flavor, with a slight hint of honey and ripe fruit.

PLATINUM - The result of rigorous selection and a combination of the best Arabica and Robusta coffee regions, we can offer you the purity of a coffee with body and strength, excellent aroma and a smooth lasting taste of mature fruit. The magic of a great coffee, ready to enjoy at any moment and for all occasions.

If you're interested in this offer, please send your request to office@linking-business.com

If your company needs a new coffee machine, we will prepare a dedicated offer with special conditions for all PPCC members.
