

B2B CONTACT LIST

Due to the situation caused by the outbreak of the coronavirus pandemic, the Polish-Portuguese Chamber of Commerce would like to offer you a **B2B Contact List service, which is an ideal solution in the present circumstances of physical distance that takes place in the business sector.** Taking care of the PPCC Members community and having a sense of strong ties with the local business, we are committed to actions contributing to the development of the economic relations between Poland and Portuguese-speaking countries.

The Polish-Portuguese Chamber of Commerce has the current market knowledge, is very well connected in business circles from various sectors and has strong partnerships with many institutions and organizations from Poland and from Portuguese-speaking countries.

The B2B Contact List will not only allow you to gain new contacts but also will make it possible to start preliminary talks with potential business partners. We believe that taking action today will mitigate the negative economic effects of the pandemic in the near future.

Moreover, it will enable your company to plan joint activities with a new partner during the pandemic and develop them as the economic situation gradually will improve. **We are able to create a database of potential contacts to companies that will be developed on the basis of carefully selected criteria (industry, plant size, location) taking into account the individual needs of each client.** The price of the service depends on the number of companies included on the contact list.

The offer applies to the following markets: Poland, Portugal, Brazil, Portuguese-speaking countries in Africa.

If you have any questions please, do not hesitate to contact us (Sylwia Królak - sk@ppcc.pl), we will do our best to fulfil your needs.
