CONSTRUIR PONTES PARA ALCANÇAR METAS

Fundada em março de 2008, em Varsóvia, a Polónia-Portugal (PPCC) é uma organização independente com o objetivo de promover os interesses das suas empresas em respeito às relações comerciais entre as empresas na Polónia e países de língua portuguesa.

O objetivo da PPCC tem sido, desde o início, "construir pontes" entre os seus membros, não-membros e instituições, ajudando-os a alcançar as suas metas mais facilmente do que se estivessem apenas por sua conta. A PPCC começou com 22 membros, em 2008, chegando a 100 em 2010.

mais significativo para a Câmara do mundo e Comércio

Os nossos membros são empresas que já pretendem estabelecer relações comerciais com o mercado português.
